Keepit Excursion

17 September– ‘Have  
Your Say Pink & Purple  
Day’

### **Welcome to Term 3**

It was wonderful to see all the students smiling faces this week. We have had the most amazing playground games and everyone is getting along. Hopefully there will be a lot less stress once COVID moves on.

At this stage we are still unable to have non-Department visitors to the school. We will do our best to keep you in the loop and share what we are doing through the newsletter and Facebook.

### **Heferen Shield**

As you can see on the opposite page, we have a number of students attending Heferen in Moree, please let the school know if you would like to borrow equipment to train with this week. Mrs Sue Barwick will be the teacher attending with our students.

### **Generous Gravo**

If you haven't already, check out our Facebook page regarding the letter from Westpac Helicopter. The students make a donation with what they raise on 'Crazy Day' each year to support this worthwhile charity. Next we have 'Footy Colours Day'. Hopefully we can all come together for our 'Have Your Say Day' on the last Friday this term, the students dress in Pink and Purple to raise money for our Rural Fire Brigade.

### **SRC**

The SRC will be setting up an honesty box and stall out the front of the school in the next few weeks. They are going to separate our agapanthus plants and sell them for \$5.00 a cluster. They have white and purple/blue plants. Look out for their stall if you are looking for additions for your garden.

### **Intensive Support Model Project-Literacy cont.**

Staff will continue to attend professional learning and apply new processes for tracking and improving student performance this term. We are currently meeting our 2019 set numeracy target for the 2022 NAPLAN. This year we are focusing on our reading target.

## **STUDENT AWARDS**
