WONDERFUL GIFTS
DONATED FROM
"CITY MUMS TO
COUNTRY MUMS"
FOR MOTHER'S DAY.
IT WAS A SPECIAL
SURPRISE FOR ALL
OUR MUMS.

Principal's Prose

2021 Cross Country

Thank you to all our families who came out to support the school students and assist with marshalling for this years Cross Country carnival. Such events can not be run without community support.

Carnivals like Cross Country allow for students who excel at sports to demonstrate their skills on the field, they promote healthy lifestyles and the need for exercise to stimulate the brain. It is fantastic that all our student participate in such events and I look forward to the Athletics Carnival on Friday 18th June.

This year Gravesend PS is hosting the Moree Zone Cross Country Trials. These events take many people to successfully run and provides a fundraising opportunity for our school P & C. If you are able to help on the course or in the canteen, please let the school know. Cross Country involves ensuring the students are safe as they run through the community.

We will also need helpers for the Athletics Carnival on Friday 18th June. The P&C will once again be catering this event.

Intensive Support Model Pilot Program

This term we have been chosen to be part of the Intensive Support Model Pilot program that addresses the needs of rural schools who have not had access to the additional funding for literacy and numeracy in previous years. This is very exciting for our school and Miss Atkins and I will be attending workshops throughout the next two terms. We have chosen a literacy target for our first focus, looking at the progress of our students in identifying and answering inferential questions (reading between the lines). This has been an area of need for some time. The aim of the project is to model the evaluative process and tracking model to then be able to use with any other focus area. This directly fits with our data literacy focus in our new school plan.

STUDENT AWARDS

ORGANISATION

WEEK 1

CYBELLE BARWICK

HARRIET WARBY

ANNABELLE TODD
